Patient safety is our primary concern. The MRI room contains a very strong magnet and is ALWAYS on. Before you are allowed to enter the MRI room, we must know if you have any metal in or on your body. You MUST remove all metallic objects including cell phone, keys, watches, hair pins, pocket knives, lighters, bank cards, purses, wallets, jewelry, etc. Hearing aids must be removed immediately before entering the MRI room. Failure to remove such items can result in serious damage to those items and/or injury to yourself and others. Please answer the following questions carefully.
